

# Around the world in a 1915 Ford Model T

A journey of 80,000 miles in a more than 100 year old Ford through more than 50 countries on all continents. An initiative of Dirk and Trudy Regter from Holland, the Netherlands, with the aim of raising money for children's projects in developing countries.

# A charity tour for children's projects in developing countries

2012

From Holland through Europe and Africa to arrive in Cape Town after 15,000 miles.

2013

Over 16,000 miles through the United States of America and Canada.

2014

15,000 miles from Colombia to the most southern point of South America.

2015

An accident. In this year Trudy and Dirk had a serious accident, in which the Model T was completely damaged. After 2 years of restoring the Model T, they were able to continue their world tour.

2018

Over 15,000 miles through New Zealand and Australia.

2020

Covid-19: a travel stop. €40,000 sponsorship money donated to 2 children's projects in South America.

2023

From Asia back to Holland. 13,000 miles of adventure in their trusty Ford Model T, with the aim of raising money for children's projects in Mongolia.
